What We Stand for

We know that as a member of a veterinary healthcare team, you devote your life to pets. You make sure they are healthy today and tomorrow. You care for them at every stage of life. Puppies and kittens to senior dogs and cats—all receive care and support. You truly bring your best to every pet you see.

But as rewarding as your work is, it has challenges.

At Zoetis, we get that. That is why we bring partnership and support to you every day.

We offer valuable insights and information through our knowledgeable sales force and our team of specialists along with comprehensive resources that enable both business and personal growth.

At Zoetis, we are dedicated to taking care of veterinary healthcare teams and veterinary professionals—just like you are dedicated to taking care of your patients.

Zoetis Petcare Network

ZoetisPetcareNetwork.com

You're committed to helping pets live their best and healthiest lives. Our goal is to support you with the [Zoetis Petcare Network](#) (ZPN)—a 24/7 centralized resource that can be personalized to fit your needs. At the ZPN, you'll find a range of free, bite sized content relevant to every member of your team and available to access whenever you wish. Resources include:

- Self-guided CE so you can learn more about what matters to you at your own pace
- 100+ downloadable tools, like client brochure and handouts, doing guides, FAQs, waiting room posters, and educational videos—all to help you grow your practice and build your expertise
- A regularly updated website that features a range of relevant topics, such as product and prescribing information, practice resources, and tools for career advancement

Watch this [2-minute video](#) to see all the ways that you and your team can grow professionally, improve client communications, grow your practice, and improve patient care.

Calling all Vet Teams! Join the community to laugh, share practical tips with peers, and win fun prizes. Follow us at @Zoetis.VetTeamSpot on Instagram and Facebook!

Zoetis Learning Solutions

Zoetis Learning Solutions (ZLS) provides complimentary online education for all animal health industry professionals. This platform offers a wide range of on-demand courses, learning plans, and live-interactive webinars. Keep your skills current with up-to-date training on key disease state conditions, product information and training, professional development opportunities, and business solutions across multiple species. Most content is approved with continuing education (CE) credit(s) through the American Association of Veterinary State Boards (AAVSB) Registry of Approved Continuing Education (RACE^{®*}), as well as Veterinary Hospital Managers Association, Inc. (VHMA) approved Certified Veterinary Practice Manager (CVPM^{®†}). To start learning, visit [ZoetisLearningSolutions.com](#) to experience education that works for you.

Zoetis Diagnostics

Zoetis Diagnostics brings together decades of animal health knowledge to create a better experience for our veterinary customers. With time-saving, trusted Vetscan point-of-care diagnostics, a first-in-class Virtual Laboratory featuring Imagyst AI and expert consultations, and best-in-class Reference Laboratories, we deliver a more comprehensive diagnostics picture so you can provide individualized care.

Virtual Laboratory by Zoetis

Specialist Support that Elevates Care – Virtual Laboratory by Zoetis is an integrated suite of products and services bringing specialist-level medicine directly to the clinic. By connecting and interpreting information from artificial intelligence (AI) technology, veterinary specialists and diagnostic instruments, the Virtual Laboratory delivers diagnostic insights to elevate patient care.

- Expert Support: Access a global network of board-certified specialists, for complimentary consultations available on your schedule
- Fast Results: Transforming turnaround times from days to hours or minutes*
- Integrated Diagnostics: Access Virtual Laboratory through ZoetisDx, and transform how you receive, analyze and interpret diagnostics results

ZoetisDx Connectivity Solution

ZoetisDx is a connectivity solution that connects veterinary practices to the Zoetis Virtual Laboratory. ZoetisDx features easy-to-view and shareable patient results with Responsible Trending®, driving informative discussions with specialists and pet owners, as well as easy scheduling of **clinical consultations** with a board-certified specialist. All of your Zoetis Point-of-Care and Reference Lab results can conveniently be viewed in one place, anytime, anywhere, and on any device.

Policies

Free Shipping Policy

Prepaid shipping applies on orders of Zoetis products; however, additional charges may apply when premium delivery options are requested.

Merchandise Returned to Zoetis

Zoetis products purchased directly from Zoetis may be returned for credit based on the current Zoetis Return Goods Price List provided it is not outside the defined return window. Other requirements apply, as stated below.

Return for Credit

Merchandise may be returned for 85% credit up to 90 days after the expiration date. Product must be in the original container and bearing the original label.

Product will not be credited in quantities less than the original package unit. Definition of a package unit, unless otherwise noted, is dose, bottle, tube, or salable package quantity.

Please contact Zoetis Customer Service at **1-888-ZOETIS1 (963-8471)** for more information and assistance with your return.

Rotor Credit Performance Guarantee

Zoetis guarantees the reliability of all Vetscan VS2 chemistry profiles. Zoetis will provide an individual Rotor Credit for each rotor failure or anomaly reported within 30 days. Redeem 12 Rotor Credits for a no-charge 12-pack box of any Vetscan VS2 chemistry profile of choice. Expires 90 days after redemption notification is sent. The [Rotor Credit Performance Guarantee](#) does not include cancellations or assay suppressions due to improper rotor storage or operator error.

Vetscan VS2 customers actively integrated to FUSE may be eligible to automatically receive a rotor credit for any rotor that fails due to a defect in the rotor. For eligibility and details, please contact Diagnostic Technical Support at 1-888-963-8471 option 5.

To submit a Rotor Credit request, contact Diagnostic Technical Support at 1-888-963-8471 option 5 or visit [ZoetisUS.com/vs2rotorcredits](https://zoetisus.com/vs2rotorcredits).

Breakage, Shortage, and Shipping Errors

Order and shipping errors including shipping damages must be reported to Zoetis within 30 business days after receipt of merchandise. Claims received after this time frame will not be considered for credit. When possible, please alert the shipping carrier to any obvious shipping damages when signing for the shipment. Products meeting the criteria will be matched to the original invoice and credited at full invoice price.

Only products purchased directly from Zoetis may be returned to Zoetis. Products sold on a non-returnable basis are not eligible for credit.

Sales Policy

Customer agrees to adhere to the Zoetis Sales Policy, which prohibits the resale of products through any unauthorized subdistribution channels.

Zoetis reserves the right to change pricing and policy at its discretion.
