- Advertising and marketing campaigns powered by AAHA
- Opportunities to participate in virtual conference offerings

We can personalize your Connexity experience to get the biggest return on your investment.

“[I] really loved being part of this event and am proud that my company is now a SAP member. We look forward to doing everything we can to support AAHA in its mission to raise the bar of excellence throughout the veterinary industry.”

—CONNEXITY SPONSOR

AAHA’s Culture Initiative

AAHA means more care for the wellbeing of veterinary professionals through better practice culture.

AAHA has developed 4 steps to a healthy practice culture, including research-based tools, personalized assessments, support from AAHA’s practice consultants, and a library of resources for every team member to improve the culture in veterinary practices. Learn more at aaha.org/culture.

Organizations that actively manage their cultures typically have:

- 30% higher levels of innovation*  
- 40% higher levels of employee retention*

2 1/2 times

Companies with high employee engagement generate more than 2 1/2 times the revenue of those with low levels of engagement.*
AAHA Guidelines

AAHA means more dedication to excellent service through continuous evaluation of best practices to promote improvement.

Developed by experts in the profession, AAHA guidelines are peer-reviewed and include interactive tools such as client- and staff-education videos, customizable templates, and calculators to help veterinary practices stay current. These are free for the industry and are a valuable resource widely relied upon by veterinary professionals. The exclusive support of our sponsors is vital to the development of these guidelines and resources.

AAHA guidelines are the top-rated resource on aaha.org*

Guidelines sponsorship includes recognition in the manuscript, marketing materials, and conference presentations (industry and on-demand) over the life of the guidelines.
